Case #CGB-CC-1039

Dear Ms Monteith:

We are in receipt of the exemption letter for closed captioning. Our original request remains the same, there have been no changes. We are still requesting exemption from closed captioning as it would be very expensive and could possibly prevent us from continuing to air our program on GTOK-CW in Meridian, MS. Again, this is an important ministry for our areas as our church serves a portion of rural Mississippi. Therefore we are yet requesting a waiver releasing Dream Big from the obligation of closed captioning.

Thank you again for your consideration.
